

Acme Corp — Finance FAQ

Payroll: Salaries are paid on the last business day of each month via direct deposit. Payslips are available in the finance portal by the 25th.

Invoicing: Vendor invoices are processed on net-30 terms. Invoices must reference a valid purchase order number to be approved.

Budgets: Departmental budgets are set annually in Q4 for the following fiscal year, which runs from April 1 to March 31.

Stock Options: Eligible employees receive stock options vesting over four years with a one-year cliff. The strike price is set at the fair market value on the grant date.

Tax Documents: Annual tax statements are issued by January 31. Employees can update tax withholding preferences at any time through the finance portal.
